

# THE ALCAT TEST: FOOD + CHEMICAL SENSITIVITIES/INTOLERANCES

- Learn why this test is the GOLD STANDARD
- Identify how it works and how to interpret results
- Educate yourself about how knowing your results can reduce chronic inflammation, GI disorders, metabolic issues, fatigue, headaches
- Discover how NCB can help you adjust and plan your nutrition and health goals based on your results

THURSDAY - NOVEMBER 17TH - 7PM CST  
VIA ZOOM WEBINAR OR PHONE  
WITH LAUREN CHAVES RD, LDN
